Data From 2013 - 2019

Bicycle + Pedestrian Count Project

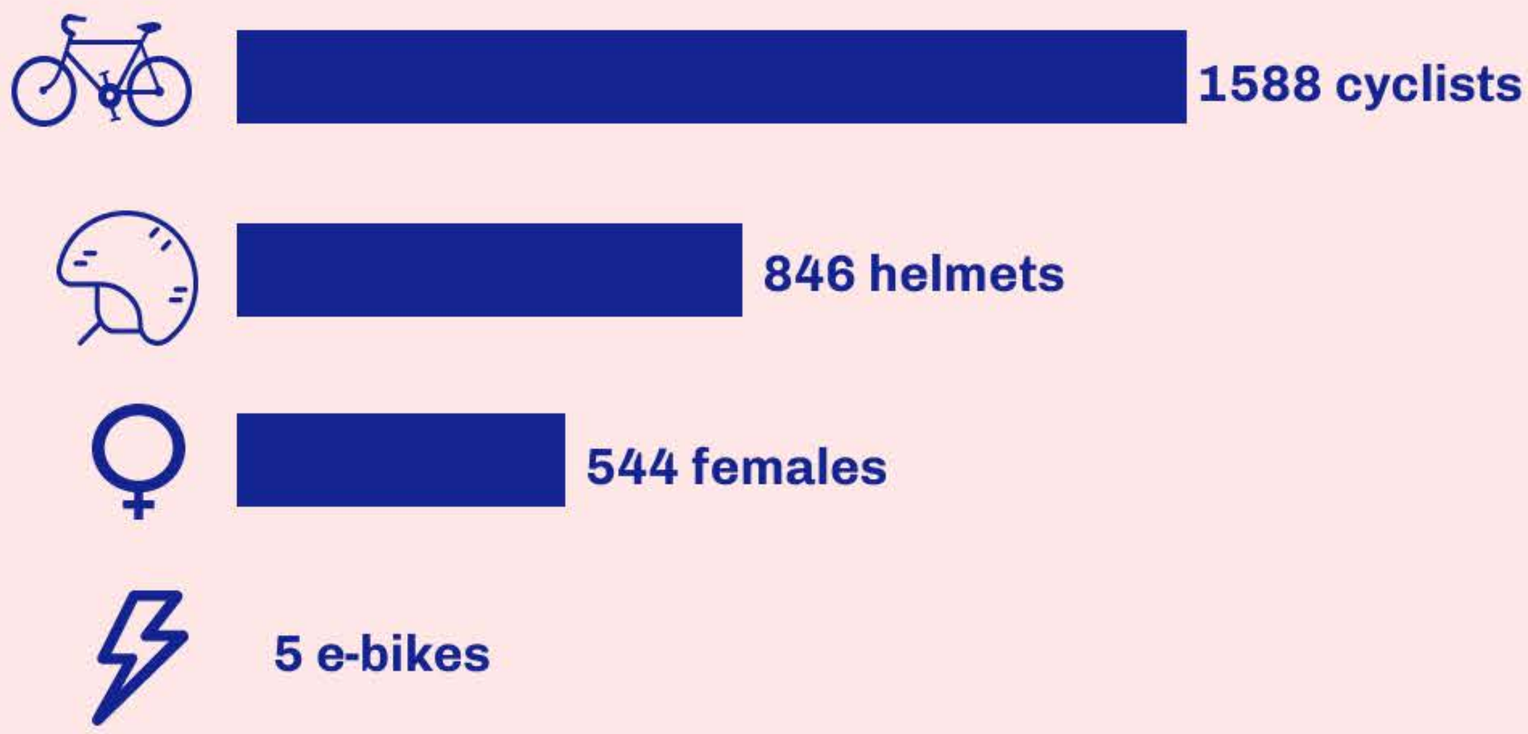
48,344

Total cyclists and pedestrians counted on trails and at intersections since the City of Fort Collins started the count project in 2013.

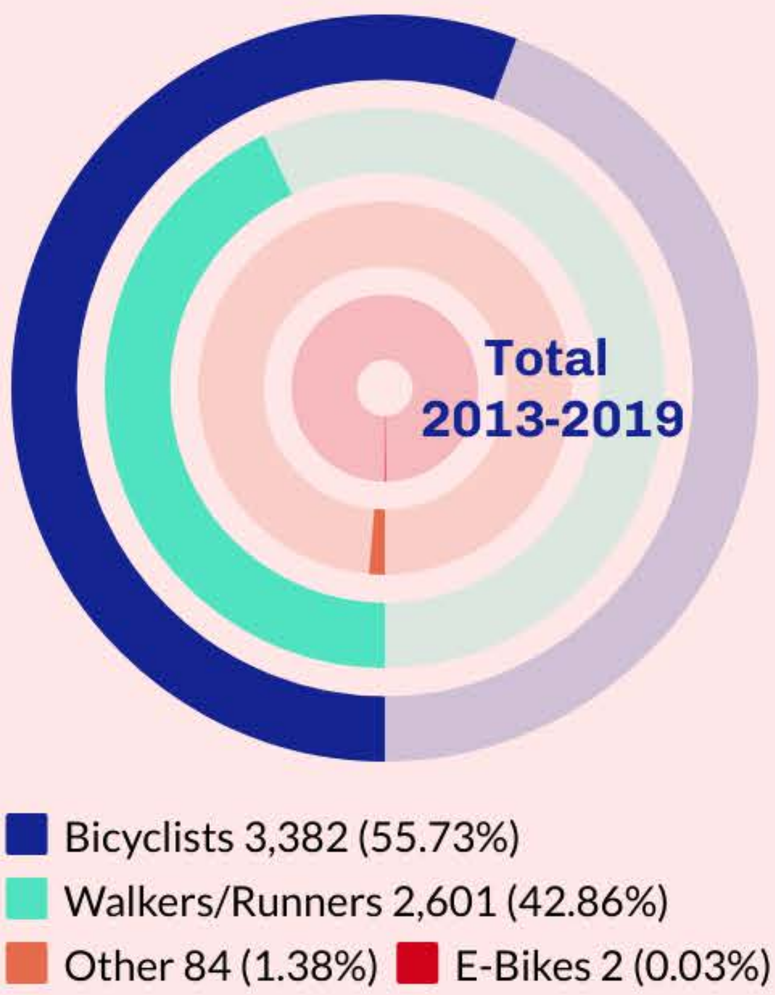
Snapshot Location: Laporte Ave. and N. Taft Hill Rd.

This on-street location has been counted since 2013. The data presented to the right are for 2013-2019. We only count bicyclists, not pedestrians on streets due to volunteer limitations.

170 cyclists in 2019



Snapshot Location: Poudre Trail at Lee Martinez Park



In 2019

291 Cyclists

56% Cyclists with Helmets

191 Walkers/Runners

Other?
