

Transformer Cabinet Mural Project 2016
Artist: Werner Schreiber
Location: Old Town Square, Behind Little Bird

RollingLand (South Cabinet, SP56048)

A surreal landscape design of rolling hills and people depicted in a contemporary style, being active.

Waves of Figurines (North Cabinet, SP56049)

This design is a modern concept of figurines. Their shapes create an interesting effect, and are uniquely blended with the background.
