Fort Collins, Colorado
6:00 p.m.
Cablecast on City Cable Channel 14
on the Comcast cable system

The City of Fort Collins will make reasonable accommodations for access to City services, programs, and activities and will make special communication arrangements for persons with disabilities. Please call 221-6515 (TDD 224-6001) for assistance.

1. Call Meeting to Order.
2. Overview of the Transfort Strategic Operating Plan and update of the Mason Transportation Corridor (MTC). (45 minutes with 5 minute staff presentation)

Staff will be presenting an overview of the Transfort Strategic Operating Plan for comments and questions. Topics to be discussed include the goals of the Plan, the four phases and service plans to build Fort Collins transit network to a full grid, timelines for implementation, the current status of the Plan, implications of not meeting the timelines, and costs for each phase. Staff will present the many benefits of building a fast, safe, and convenient transit system in our community. In addition, the presentation will include a brief update of the Mason Transportation Corridor project as it relates to the City's overall transit and land use plans.

Staff is seeking comments and questions from Council members.

3. A package of new initiatives designed to help the community strategically reach Fort Collins' 1999 adopted goal of diverting 50% of its waste from landfill disposal within the next 6-10 years. (45 minutes with 5 minute staff presentation)

The purpose of this discussion is to answer the following questions:

- 1 Does Council agree with the staff recommendation for 20 measures included in this package of inter-related programs to help the community reach its solid waste diversion goal as part of an adopted Strategic Plan?
- 2 Does Council agree on the high-priority programs for early implementation?

4. State Highway 392 (Larimer County Road 32/Carpenter Road) Environmental Overview Study: Update and Recommendations. (30 minutes with 5 minute staff presentation)

This discussion is to consider the following questions:

1. Does Council have any questions, comments, or concerns about the Study purpose or process?
2. Does Council have any feedback regarding alignment alternatives around Duck Lake?

5. Spring 2006 Land Use Code Changes. (30 minutes with 5 minute staff presentation)

The purpose of this work session item is to introduce to Council the proposed amendments, revisions and clarifications to the Land Use Code for Spring 2006. The Land Use Code team encourages any questions or comments regarding any of these proposed changes.

6. Other Business.
7. Adjournment.
