1. Call Meeting to Order.
2. North College Avenue Corridor Plan Update. (1 hour)

Throughout 2006, staff has been working on an update of the North College Avenue Corridor Plan. This process is nearing its end, and the purpose of this work session is to inform Council of the main ideas and direction of the Plan update, to be considered on February 6, 2007.

1. Does Council agree with the main ideas and direction of the Plan?
2. Are there any issues or questions Council would like to have addressed?
3. Poudre River Floodplain Regulations. (90 minutes)

The purpose of this work session item is to obtain feedback from Council regarding proposed revisions to the floodplain regulations for the Poudre River. The goal of this review was, to the degree possible, have City and County regulations the same, while still balancing risk with regulation.

- Does Council have any concerns about the proposed changes?
- Floodway Rise
- Floodway Modification
- Product Corridor
- Freeboard Level
- Dryland Access

- Critical Facilities in 100-year Floodplain
- Critical Facilities in 500-year Floodplain
- LOMR-Fill Requirements

Is there any additional information Council would like?

4. Other Business.
5. Adjournment.
