

***YOU ARE INVITED to the 2nd in a series of Community Conversations
exploring the future growth of our senior population in Fort Collins***

- What are we doing right and what can we improve to make Fort Collins a livable community for aging well in the 21st century?
- What are leaders in our community doing to plan for the Silver Tsunami, and what challenges are they facing?
- What can community members do to get involved?

Please join the Senior Advisory Board, the Center for Public Deliberation, and community leaders for a light meal and conversation:
