

The City of Fort Collins Women's Commission
seeks nominations by March 31, 2012, for the

Marcile N. Wood Award

To honor those who help women

The annual Marcile N. Wood Award was established in 1992 to acknowledge women and men who have significantly contributed to the status of women in our community. The award is in memory of Marcile Norby Wood, who volunteered in Fort Collins for 40 years. Ms. Wood established or helped to establish *The Women's Resource Center; United Day Care Center; and Volunteers Clearing House*. She was president of the *League of Women Voters*.

Please help us recognize those who have followed in her footsteps through their work or volunteer service. The winner will be recognized at a breakfast this spring.

To nominate an individual, please complete the two-page form and submit no later than March 31, 2012. Thank you!
