Affordable Housing Inventory

Affordable housing units house the City's lowest wage earners and are important to the sustainability of our community. Through policy and funding, the City would like to at least maintain and preferably increase the number of units available to consumers requiring this type of housing. Low income housing in Fort Collins is for people who earn 80% or less Area Median Income.

3,140	3,143	Q4 2016
-------	-------	---------

Cumulative Number of Noise Complaints

This measures the number of noise complaints in a hot-spot area determined by the previous calendar year. The area is defined from Prospect Rd./Taft Hill Rd. northeast to Mulberry St./Shields St.

537	482	Q4 2016
-----	-----	---------

Fort Collins' Housing Opportunity Index (HOI) compared to western states region HOI

The Housing Opportunity Index (HOI) is defined as the share of homes sold in an area that would have been affordable to a family earning the local median income. The target is to be in the top third (66% or better) for the Western region of the United States.

65.00%	66.00%	Q4 2016
--------	--------	---------

Response Time to Graffiti Removal

This indicator measures the amount of time to respond to and abate both reported and unreported graffiti in the City. The goal is to have graffiti properly abated within two business days.

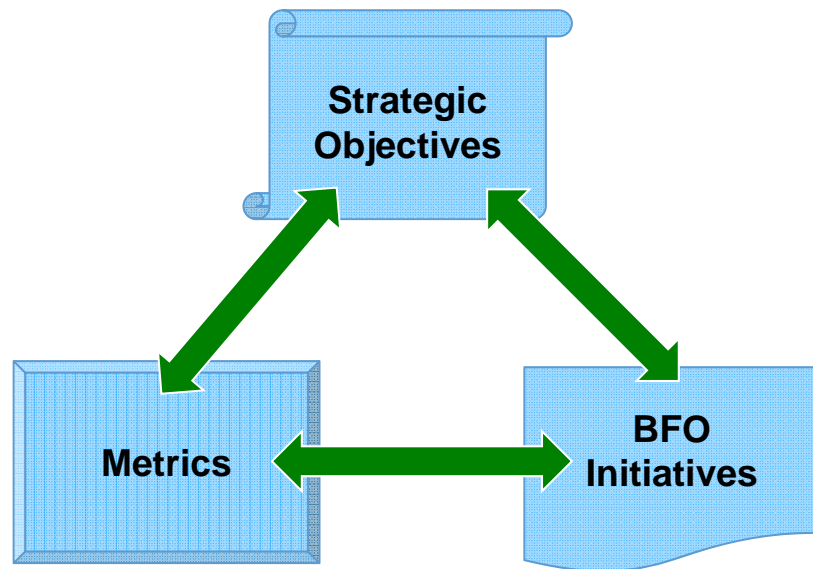

1.45	2.00	Q4 2016
------	------	---------

Voluntary Code Compliance

This metric tracks the percentage of voluntary compliance with nuisance code violations issued by the City of Fort Collins. Voluntary compliance is defined as violations corrected by the property owner or tenant.
