Dear Resident/Property Owner:

On Wednesday, April 14, 2010, from 7:00 to 9:00 p.m., at Heart of the Rockies Church, 6501 Brittany Street, Fort Collins, Colorado, the City of Fort Collins Current Planning Department will conduct a neighborhood information meeting to discuss a development proposal in your neighborhood. The project is referred to as **Transfort Expansion – Major Amendment**.

As proposed, the expansion includes a new 11,800 square feet bus shelter to protect the bus fleet from weather and provide slow-fill fueling capabilities for CNG (compressed natural gas) buses. This shelter will contain a pitched roof and walls on the North and South, but no garage doors. Also, the existing bus wash facility will be enlarged by 600 square feet to accommodate newer larger buses.

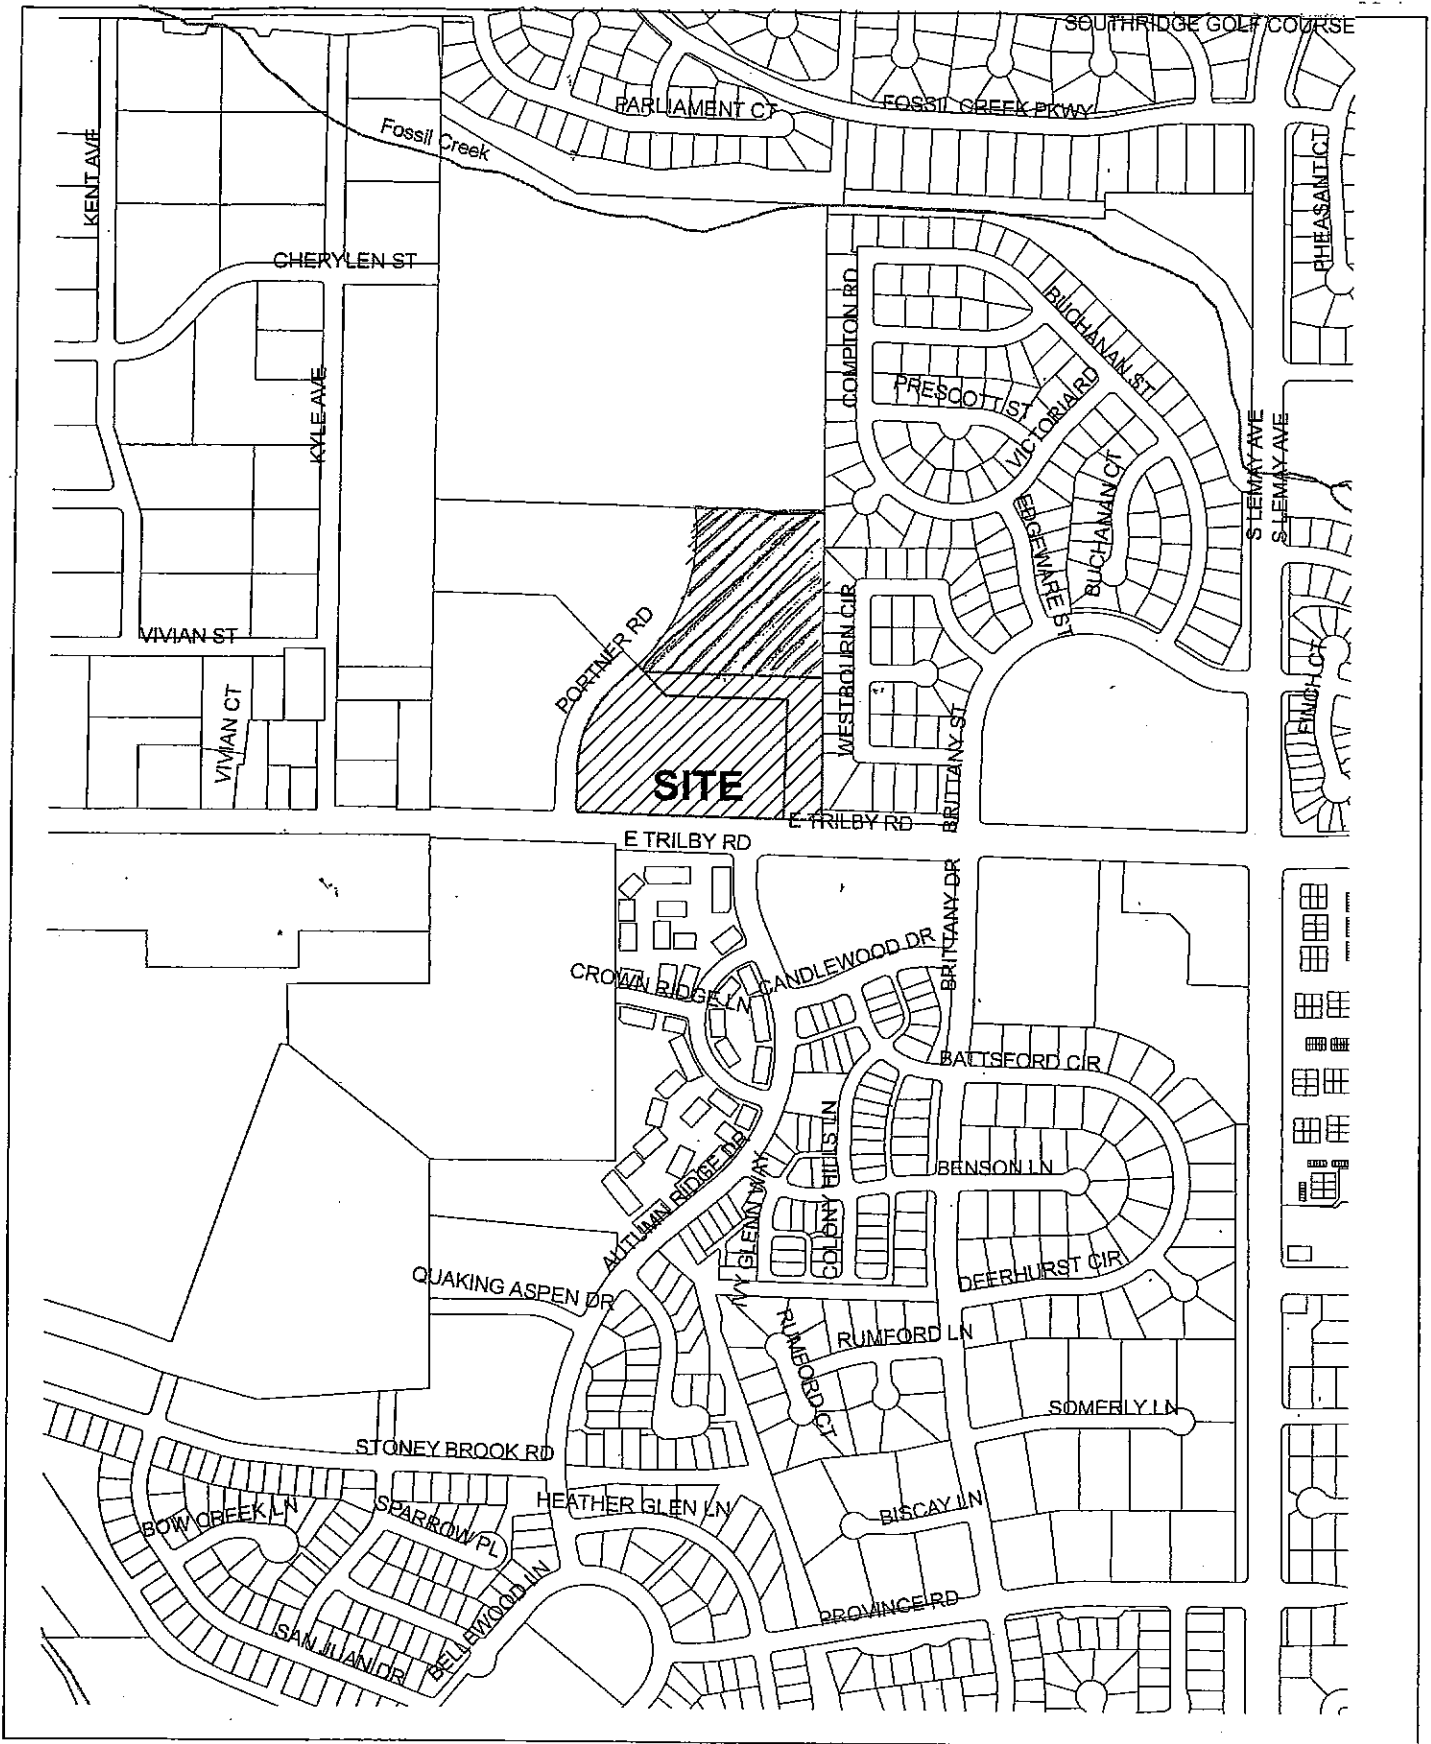

The list of affected property owners for this public meeting is derived from official records of the Larimer County Assessor. Because of the lag time between occupancy and record keeping, or because of rental situations, a few affected property owners may have been missed. Please feel free to notify your neighbor concerning this pending meeting so all neighbors may have the opportunity to attend.

Sincerely:

A handwritten signature in black ink that reads "Ted Shepard". The signature is written in a cursive, flowing style.

Ted Shepard
Chief Planner
