

PUBLIC HEARING NOTICE

October 30, 2013

Dear Property Owner or Resident:

Please note the corrected day information to the letter sent previously.

This letter is being sent to let you know about a development proposal near your property and to invite you to the public hearing where you can provide the hearing officer with your comments regarding the development project. Specific information about this development proposal is to the right and on the back of this letter. We welcome and encourage your participation, as your input is an important part of the development review process.

Check out our online guide of your ways to participate in the development review process by visiting fcgov.com/CitizenReview. You may also contact me or Sarah Burnett, Neighborhood Development Review Liaison, at 970-224-6076 or sburnett@fcgov.com. Sarah is available to assist residents who have questions about the review process and how to participate.

You received this notice because records from the Larimer County Assessor's Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend.

We look forward to your participation at the public hearing. Public comment is encouraged during all phases of the review process. If you are unable to attend the hearing, but would like to provide input, please feel free to write me at the address above or e-mail me at nbeals@fcgov.com. If you have questions at any time, please feel free to contact us.

Sincerely,

Noah Beals, LEED GA
