NEIGHBORHOOD MEETING INVITATION

March 23, 2015

Dear Property Owner or Resident:

This letter is being sent to let you know about Colorado State University’s proposal to build a parking garage at the southeast corner of West Pitkin Street and the Mason MAX Bus Rapid Transit line, and to invite you to the neighborhood meeting where you can learn more about the proposal. Specific information about this development proposal is to the right and on the back of this letter. **We welcome and encourage your participation, as your input is an important part of the development review process.**

You received this notice because records from the Larimer County Assessor’s Office indicate you own property near the proposed development site. Because of the lag time in recordkeeping, or because of rental situations, some neighbors may be missed. Please feel free to notify your neighbors of the neighborhood meeting so they can attend. This letter and CSU’s associated preliminary plans are available online at fcgov.com/ReviewAgendas.

The proposed plan is subject to a Site Plan Advisory Review process (SPAR). Information about the SPAR process can be found in Division 2.16 of the City Land Use Code: <http://www.colocode.com/fclandusehtml.html>

We look forward to your participation at the neighborhood meeting. Public comment is encouraged during all phases of the review process. If you have questions at any time, please feel free to contact us.

Sincerely,

Jason Holland, PLA | City Planner
