NEIGHBORHOOD MEETING INVITATION

July 27, 2016

On Wednesday, August 10, 2016, from 6:30 to 8:30 P.M., in Room 214 at the Timberline Church, 2908 South Timberline Road, Fort Collins, Colorado, the City of Fort Collins Planning Department will conduct the second neighborhood information meeting for a development proposal in your neighborhood. The project is referred to as **The Gateway at Prospect Road Overall Development Plan and Addition of Permitted Use.**

The first neighborhood meeting was held on April 21, 2016. The purpose of the second meeting is to review the progress made since the last meeting and since the project has gone through the first round of staff review. To review, the project consists of developing the vacant land located generally at the northwest quadrant of I-25 and East Prospect Road (please see map on reverse). This area includes 177 acres and was formerly known as Interstate Lands O.D.P. The site is zoned, from east to west, C-G, General Commercial, E, Employment, L-M-N, Low Density Mixed-Use Neighborhood, and U-E, Urban Estate.

The purpose of an Overall Development Plan is to establish general planning and development control parameters for projects that will be developed in phases, with multiple submittals while allowing sufficient flexibility to permit detailed planning in subsequent submittals. Approval of an O.D.P. does not establish any vested right to develop property in accordance with the plan.

The request also includes an Addition of Permitted Use to allow multi-family dwellings with greater than 12 units per building, and with buildings exceeding 14,000 square feet in size, to be allowed on 12.4 acres within the L-M-N, Low Density Mixed-Use Neighborhood zone. Per the City's Land Use Code, multi-family is permitted in the L-M-N zone but capped at the aforementioned parameters. Therefore, the applicant is requesting an Addition of Permitted Use to allow multi-family apartments in buildings that are larger than would otherwise be permitted on 12.4 acres in the L-M-N zone.

Sincerely:

Ted Shepard, Chief Planner
221-6343
