

## **Lemay Veterinary Hospital Neighborhood Meeting**

March 25th, 2013

### Project Description:

The project is a 4,400 square foot expansion to the existing 3,000 square foot Fort Collins Veterinary Emergency and Rehabilitation Hospital located at 816 South Lemay Avenue. The clinic will be expanded onto the property to the north (808 Lemay Avenue) and have a total of 16 parking spaces. The site is located in the Employment (E) Zone District and the project is subject to a Planning and Zoning Board Public Hearing.

### Neighborhood Meeting Summary:

One citizen was present from a neighboring business (Peerless Tires) and was supportive of the project. The citizen asked to be kept up to date as the project made its way through the development review process.
