October 9, 2015

PUBLIC NOTIFICATION

North College Avenue Corridor Improvements Conifer Street to Willox Lane

PAVING OPERATIONS

- Effective approximately October 20, 2015 paving operations will begin for North College Avenue from Conifer to Willox.
- It is anticipated that the paving operations will take approximately 8 working days to complete. Please keep in mind that adverse weather conditions could impact the paving schedule.
- Due to recent City ordinances that affect Martin Marietta's asphalt plant on Taft Hill Road, asphalt paving will not occur on Saturdays or Sundays.
- During paving operations, access to businesses will be impacted. Businesses that have direct access onto North College Avenue can expect periodic closure of their business access during the paving operations. Duration of the closure will be approximately 30 minutes to 1 hour long. Flaggers will be on hand to direct costumers to alternative access points.
- Businesses will be notified at least three days prior to the access closure.
- Your cooperation and understanding will be greatly appreciated during the paving process. Every effort will be made to keep access closure to a minimum.
- Please keep in mind that weather could impact the paving schedule.

Cone Zone Communications may be contacted at 970-532-2242 or 970-532-3139 or by email at northcollegeinfo@gmail.com. Please obey all speed limits and traffic signs throughout the construction zone. Safety of the public and all workers involved in the project is our highest priority.

The City of Fort Collins, Zak Dirt, Inc. and Cone Zone Communications would like to take this opportunity to thank everyone for your patience and cooperation during the construction.
