PUBLIC NOTIFICATION
North College Avenue Corridor Improvements
Conifer Street to Willox Lane

Red Cedar Circle Access Restrictions

- Beginning April 20th Red Cedar Circle and the alleyway to the west will be closed for storm pipe installation.
- Access to Red Cedar Circle and the alleyway to the west will not be available from Conifer Street. Businesses located on Red Cedar Circle will have access from Blue Spruce Drive during this phase of construction.
- Red Cedar Circle and the alleyway to the west will be closed to through traffic for approximately three weeks.
- The recommended access to Red Cedar Circle from North College Avenue is from Bristlecone Drive to Blue Spruce Drive.
- Please review the attached plan of road restrictions and traffic configuration.

Road Construction

- Roadway widening operations on the west side of North College Avenue will be in progress through the end of April. During this time there will be some intermittent access limitations. Those whose access is going to be affected will be notified in person of the day and approximate times of impact. Water services may be interrupted periodically during the concrete paving operations.

Pedestrian/Bicycle Traffic

- Sidewalks on the west side of North College Avenue between Hickory & Willox have been removed to allow for installation of new water/sewer lines.

- During this phase of the construction, pedestrian and bicycle traffic on the west side of North College Avenue are urged to utilize the access road (alleyway) that connects Hibbdon to Hickory. The City and the Contractor request that crossing North College Avenue is done at Willox or Conifer.

- Pedestrians and bicycle traffic that is crossing North College Avenue through the construction zone are creating safety issues for themselves as well as traffic control and construction workers. If you have special needs please contact a member of the traffic
• Please keep in mind your safety as well as the safety of the construction crews when walking or biking near the construction zone. The safety of the public is the highest priority of the City as well as the Contractor.

Cone Zone Communications may be contacted at 970-532-2242 or 970-532-3139 or by email at northcollegeinfo@gmail.com. Please obey all speed limits and traffic signs throughout the construction zone. Safety of the public and all workers involved in the project is our highest priority.

The City of Fort Collins, Zak Dirt, Inc. and Cone Zone Communications would like to take this opportunity to thank everyone for your patience and cooperation during the construction.
