Seating is limited. RSVP to utilities@fcgov.com or (970) 221-6700.

Funding Options to Green Your Business

Tuesday, Sept. 8, 9 a.m.–noon

Presenters will review basic financial decision-making tools, summarize available cash rebates and tax incentives and provide time for you to share strategies with peers.

Topics will provide input on how to utilize and best obtain the available funding options, including:

- When to use simple payback, return-on-investment and internal rate-of-return criteria for decision making;
- What rebates are available from Fort Collins Utilities, Platte River Power Authority and Xcel Energy for investments in efficiency and renewable energy;
- How the American Recovery and Reinvestment Act energy funds may affect your business;
- What tax credits are available for investments in efficiency and renewable energy; and
- How other local businesses make green investment decisions.

For more information, contact John Phelan at (970) 416-2539 or jphelan@fcgov.com.

Please help us make this a zero-waste event. Refreshments provided.

To learn about other programs in the series, call (970) 221-6700, visit www.fcgov.com/business-eps, e-mail utilities@fcgov.com or TDD (970) 224-6003.
