**Street Maintenance Reductions for 2009**

Due to substantial reductions in Transportation revenues, the City of Fort Collins Pavement Management Program is suspending certain repaving operations.

The following areas were scheduled for the 2009 Asphalt Overlay Project. It is our expectation that these areas will be a priority for 2010. However, substantial shortfalls in revenues are expected in 2010 as well, which may affect the completion of this program.

The Pavement Management Program *Overlay Project* is largely funded by the 1/4 cent Building Community Choices sales tax approved by voters in 1997. This tax was extended through 2015.
