

WOOD MULCH AVAILABLE TO PUBLIC

Saturday, May 2, 2015

8:00 a.m. to 3:00 p.m. for \$5.00 per load.

The City of Fort Collins Forestry Department will offer wood mulch to the public for \$5.00 per load at **Midpoint Drive and Sharp Point Drive**, located three-tenths of a mile south of Prospect Road on Sharp Point Drive.

The Forestry Department requests that residents provide exact funds and a tarp or cover to secure the mulch to prevent scattering.

The mulch will be loaded into open-top vehicles or trailers using a front-end loader. Hand shoveling into vehicles or containers will be prohibited.

Self-loading mulch sites are available to residents throughout the year at the Gardens On Spring Creek and the Rivendell Recycle Center.

This program is not available to commercial businesses.
