## Managing Your Fort Fund Award

### Complete Your Contracts

- Fill in the “Public Benefit” section:** Write in the public benefit of your event on both copies of the contract.
- Sign the contract:** Often the people most directly involved in the Fort Fund project are NOT authorized to sign contracts on behalf of the recipient organization. Entities that are corporations (such as non-profit corporations) should have contracts signed **by the board president** and **attested (not notarized) by the board secretary**, unless the board has specifically authorized someone else to sign. If your organization is part of Colorado State University, you will need to have your contracts processed through the Sponsored Programs Office. If you have questions about who is authorized to sign your contract, please contact Fort Fund staff at 970-416-4225.
