

# Adopt a Neighbor

## Resident Application

Adopt a Neighbor is a volunteer program administered by the City of Fort Collins Neighborhood Services Office. It is aimed at providing snow removal assistance to Fort Collins residents who: are physically unable to do so themselves; cannot afford to pay for this assistance; or do not already have neighbors, family or friends who can assist them. We do our best to match volunteers with those needing assistance, but **cannot guarantee providing a volunteer in every instance. The NSO will do its best to match people, however, if a match cannot be found, applicants are still responsible for proper snow shoveling.**
