Neighborhood Registration

What are the advantages of registering my neighborhood organization?

- **Notification:** Receive information from the city regarding building and zoning permits, as well as public works and capital improvement projects in your vicinity.
- **Connections:** Share your concerns with officials from the city and connect with other neighborhood organizations.
- **Coordination:** Neighborhood and Human Services will assist in the development of new organizations and will help established organizations with the development of the Neighborhood Action Plan to be recognized by the City Council.
