Welcome

Tuesday, July 28, 2015

The Colorado Oil and Gas Conservation Commission (COGCC) is charged with fostering the responsible development of Colorado's oil and gas natural resources in a manner consistent with the protection of public health, safety, and welfare, including the environment and wildlife resources. Our agency seeks to serve, solicit participation from, and maintain working relationships with all those having an interest in Colorado's oil and gas natural resources.

News & Notices

Extraction Oil & Gas LLC Comment Period Extended
Published: 07/22/2015
Comment period for the Form 2A for Extraction O & G LLC's Ash 9-B multi-well location and the related 25 Form 2's in Section 9-T5N-R65w has been extended to 8/20/15 at Greeley's LGD's request.

Governor's Task Force Rulemaking
Published: 07/07/2015
The Commission is holding outreach meetings across the state to solicit input from local governments and other stakeholders regarding the rulemaking to implement Recommendations 17 and 20.

Changes to the Form 2A
Published: 06/16/2015
In anticipation of the August 1, 2015 effective date of certain Floodplain Rules, COGCC has modified the Form 2A.
