Event Season

To provide the best possible turf and overall conditions for all users, fields will not be scheduled and will not be used by organized groups prior to the third weekend in March and after the first weekend in November, unless otherwise approved in writing by the Director of Parks.

Start Times

City outdoor sports facilities will be scheduled to provide sufficient time to properly prepare maintain and care for the facilities. Park crews will not begin preparing any City ballfields until 7:00 a.m. because of the City's Noise Ordinance, which requires that user groups on ballfields begin no earlier than 9:00 a.m. Adverse weather conditions increase the time required to adequately prepare a playing area in a safe condition. Turf sports do not require field preps, so they may be used beginning at 8:00 a.m.

- Rolland Moore Park – 2 fields @ 9:00 a.m./2 fields @ 10:00 a.m. before April 15th and after October 15th due to lighting.

Inclement Weather

In case of wet field conditions, a Park's staff person will have final say whether the fields are playable.

The City staff and tournament representative for the specific field(s) will collaborate and make the appropriate decision(s) regarding any cancellation, postponement, or any other related arrangement. Under no circumstances will a tournament be conducted on field(s) deemed unplayable by City staff.

It will be the responsibility of the tournament director or user group(s) scheduled to inform participants and their staff of any decision(s) made.

In some instances, it is a game time decision left to the coaches and field staff, below are a few reasons for field cancellations:

- Standing water on the field(s)
- Fields are slippery or unsafe
- Turf tears underfoot

Field Closures

If fields are closed for any reason a "closed" sign will be posted and/or bollards will be in place. Please respect the "closed" sign/bollards and refrain from play on that field so that it can be reopened and ready for play in a timely manner. It will be the responsibility of the tournament director or user group(s) scheduled to inform participants and their staff of any decision(s) made.

Jeopardizing Use

A facility will not be scheduled and scheduled use will be canceled if City staff, through the agreement of designated representatives from Parks, reasonably determines use will cause excessive damage to the facility. A user may be denied the future use of a City outdoor sports facility if the user has damaged or has been irresponsible in the use of any City outdoor recreation facility, or has been delinquent on payments to the City. (*i.e., Facilities are left unsecured; trash and debris are left at the facility; equipment is damaged or stolen; park rules and regulations have been ignored or violated; or when use by scheduled user occurs at a facility after an event has been cancelled or postponed by inclement weather*).

Cleanup

Each user is responsible for cleanup of all fields and facilities used. This includes score booths, grandstands, warm-up areas, parking lots, and the fields themselves. Failure to thoroughly clean any one of these areas will result in a \$50.00 fee assessed per field and/or area per day.

Damage

The league/tournament host and/or director will be responsible for reimbursing the City of Fort Collins for any damage to City property incurred to City facilities as a result of the event, including but not limited to damage due to activities of guests and patrons at the event.

Preps/Re-preps and Wet Field Maintenance

Once a field prep is completed the user is liable for the payment, whether or not the field is used (unless due to inclement weather). Re-preps will only be done if prior arrangements have been made.

Note: If wet fields exist and maintenance is necessary, the following will apply:

- It will be the decision of the tournament director to approve the use of "Turface."
- Park staff will not apply any field drying agents to fields without prior approval from the tournament director.
- Turface will be applied upon approval at the rate of **\$16.00 per bag**.

Any person who intends to sell any goods or services on park property must have their own valid Sales Tax License from the Sales Tax Office located at 215 N Mason, 970-221-6246. The signed license must be displayed and easily visible on the vendor(s) equipment while at the event. **The User permitted for the game(s) will be responsible for ensuring that the vendors participating at the sporting event comply with all requirements, and that the vendors leave the area clean.**

The User will also supply the Front Office staff with a list of the vendors that will be at the sporting event. Parks staff will provide the Customer with information as to where the vendors are allowed to set up at the Park. Vendors may not set up unless approved and then only in areas identified by Park staff.

Guidelines for Tournaments

Security Staff

The City may require that security staff be hired for specific tournaments to enforce City policies related to alcohol consumption and/or traffic control. The City will retain and schedule the security staff that has been contracted with the City. In addition to the general tournament fees the user will pay the City for the additional security staff.

Scheduling Exception for “Special Tournaments”

A special tournament is defined as a competitive sporting event in which the participants or teams are not allowed to participate unless they have met the sponsoring organization’s established qualifying guidelines. This typically involves placing in a preliminary tournament or event at a designated level (i.e., first or second). Special tournaments generally need to be scheduled farther in advance than other tournaments, and this exception is designed to accommodate this need.

Some examples of special tournaments are Nationals, Regionals, Worlds, or State championships.

The director of a special tournament is to inform the Parks Scheduling Staff as far in advance as possible of the intent to request this scheduling exception. When the City receives a special tournament request, the Parks Scheduling Staff will organize a meeting of all known users or groups interested in reserving outdoor sports facilities that are affected by the request. This group will discuss the request and the feasibility of fitting it into the schedule. The input from this group will be considered before the Scheduling Staff makes a final decision concerning the request.

Start Time

Exceptions (tournaments only) to start play on ballfields at 8:00am must be approved by the Director of Parks.

NOTE: All information **must** be received by the Front Office by **Noon on the Wednesday prior** to the weekend tournament.

Information not received by Noon on the Wednesday prior to the event could result in fields not being ready for play. A \$50.00 late notice fee will be assessed for any changes made after the deadline, a one-time waiver may be allowed.

NOTE: Any party bringing privately owned items onto any City owned park facility, including but not limited to the equipment listed above, agrees that any items placed and/or left in any City park shall not be in or cause a dangerous condition; the party providing such items assumes all risk of injury to any persons using any privately provided equipment. **A Goals Agreement must be completed and signed to leave Goals on a City Park field (see addendum below).**

Guidelines for Advertising at All City Parks

These Advertising Guidelines are intended to limit the amount of advertising in our parks and to identify where and under what conditions advertising may be allowed. The City Code (Sec. 23-203) prohibits advertising in City parks without a permit from Community Services.

Permanent Advertising

Permanent advertising is only allowed on ball field scoreboards to the extent permitted by the City's Sign Code. Permanent advertising is not allowed in any other place in a City park. Benches along a street right-of-way adjacent to a park are not subject to these Guidelines. Permanent advertising is any advertising other than temporary advertising.

Temporary Advertising

Temporary advertising is advertising associated with an activity or event that is distributed or displayed for the duration of a permitted event. Temporary advertising may be allowed for City approved activities or events taking place in a City park. Examples of activities or events include games, tournaments, the 4th of July Celebration, arts festivals and similar functions.

Temporary advertising may take the form of banners, inflatables, signs or other displays as approved by the City. City staff will only approve advertising that is primarily directed to event participants and does not interfere with the use or enjoyment of the park by people who are not participating in the activity or event.

The temporary advertising may be affixed to fences, walls, other structures, the ground or the like, as approved by the City. City staff will only approve advertising that is affixed in a safe and stable manner that does not damage park infrastructure or park property.

The temporary advertising must be placed within or directly adjacent to the physical boundaries of the event, as approved by the City.

Temporary advertising is limited to the event sponsor and to those authorized by the event sponsor. The permit authorizing the advertising will identify everyone who is authorized to advertise for the event.

Temporary advertising will be removed from the park immediately after the event concludes. If the event lasts for more than one day, the advertising does not need to be removed and reinstalled each day, however, the City of Fort Collins will not be held liable for any damage that occurs overnight.

Advertising on handbills, schedules, souvenirs, T-shirts and other forms of portable advertising will be limited to those provided by the event sponsor or those authorized by the event sponsor. The distribution of such portable advertising will be limited to event participants.

Advertising Content Restrictions

Advertisements for alcohol or tobacco products are not allowed in City parks. Advertisements for businesses that sell alcohol or tobacco products may be allowed. For example, ads with the name "Coors Brewing Company" may be allowed but ads for "Coors beer" are not allowed. Similarly, ads for "Joe's Bar and Grille" may be allowed, but ads for "\$2 Buds at Joe's Bar and Grille" are not allowed.

Advertisements that are obscene are prohibited by the City Code (Sec. 17-145.) In addition, advertisements for sexually oriented businesses (adult bookstores, "gentlemen" clubs) or for sexually oriented products are not allowed.

The restrictions on advertisements for alcohol and tobacco products does not apply to forms of portable advertising (handbills, schedules, souvenirs, T-shirts, etc.) if these items are only distributed to persons 18 years of age or older.

Scheduling Priorities and Preferences for Games

When Scheduling the Use of City Outdoor Sports Facilities for a game(s).

1. City-sponsored programs are given the highest priority.
2. Recreational and club youth programs are given priority over all other non-City sponsored programs.
3. Recreational and club adult programs are given priority over any competitive programs.
4. Programs sponsored by non-commercial groups are given priority over programs sponsored by commercial or for-profit groups.

Note: New users will be placed in one of the existing priorities. Seniority will be used as a factor when determining priority when the users in conflict cannot resolve facility usage. If the priority for a new user is higher, seniority will not be a factor.

The City Risk Management Department will review your permit application and notify you of specific insurance requirements applicable to your planned event.

Auto liability insurance is required if vehicles are used for other than normal and standard commute purposes. If applicable, this coverage is required for owned, non-owned, leased or hired vehicles with a minimum coverage limit of \$500,000

The City of Fort Collins does not facilitate Special Event Insurance, but the below information may be helpful in securing short-term liability insurance.

What is an Insurance Certificate?

An Insurance Certificate demonstrates the existence and terms of a particular insurance policy. It is common for insurance certificates to specifically name another involved party as insured when it relates to common business interests. Insurance Certificates must be provided to the City preceding event approval and this should be done as early as possible.

Where can I get an Insurance Certificate?

- The best place to obtain an insurance certificate is through an already existing insurance policy maintained by your organization, affiliation, business or home owners insurance. There is usually little or no cost for the issuance of an insurance certificate on an existing policy. The request for such a certificate is usually placed through the agent, broker, or risk management department of the organization.
- If there is no existing insurance that will provide coverage, you will want to shop for insurance coverage and may be able to obtain an insurance policy and certificate that specifically covers the special event. Many times a special event may be included as "rider" or "endorsement" to an existing liability insurance policy. Your insurance agent or broker may be the best place to start asking questions.

What is required on the Insurance Certificate?

- One Million Dollars of General Liability Insurance is typically the minimum accepted. Some events may require higher or lower limits.
- Specific liquor liability if alcohol is served on public property.
- Auto Liability if event meets the requirements described above.
- The event sponsor must be the "named insured."
- The City of Fort Collins must be specifically "named as the additional insured."
- The City of Fort Collins must be identified as the "certificate holder".
- The certificate must be on the current Insurance Service Organization (ISO) form.
- The policy must be current through the event date.
- Please also note the event name and date(s) on the certificate so we can ensure it is appropriately placed with the correct event.

2018 PROCESS FOR RESERVING PRACTICE FIELDS

This process is an effort to keep people from having to camp out over night at the Park Shop, and until we have an on-line process. We feel this is a fair process, providing each coach with an equal opportunity for field selection.

*This will be for the **INITIAL** practice field requests. Field requests made after the initial date can be made by contacting the Parks Office via phone, in person or email.*

TURF SPORTS – Dates for Reserving Fields: **Monday, March 5** (Spring/Summer) & Thursday, July 19 (Fall)

DIAMOND SPORTS – Dates for Reserving Fields: **Thursday, March 8** (Spring/Summer) & Thursday, July 19 (Fall)

*(PLEASE remember – Flexibility is Key
Front Office Staff will Contact Coach with any Questions)*

- 1) Practice Field Requests will only be accepted via email at parkshop@fcgov.com on dates noted above for the specific sport **at 8:00am** with an attached **Practice Field Request Form**.

Any Practice Field Requests submitted prior to 8:00am on the designated date will be time-stamped as 9:00am, meaning they will be processed after all requests received in the 8:00am hour.

Example: If a request is received at 7:59:59am it will be moved to the end of the list that exists at 9:00am whether that's 1 request or 50 requests.

If a request is submitted on Monday for a diamond sport, it will be sent back to the coach to resubmit on Thursday

- 2) All Practice Field Requests MUST be received via email at parkshop@fcgov.com attaching the completed **Practice Field Request Form**. Any email received without the **Practice Field Request Form** attached will be emailed back to the coach to include the form and resubmit.
- 3) An individual email must be sent for each Team's Practice. Multiple request forms attached in one email will not be accepted.

Example: If one coach has three teams, three emails should be sent – one per team.

If more than one request is attached to a single email – one request will be processed and the others will go to the end of the list.

- 4) Practice Times are 1.5 hours in length.
- 5) Once the request has been entered into the reservation system by Front Office Staff:
 - a. The Front Office Staff will contact the Coach via phone (as provided on the **Practice Field Request Form**) confirming the requested dates/times.
 - b. Front Office Staff will collect payment via credit card.
 - i. If an Organization Director is paying for multiple practices, the Coach will inform the Front Office Staff and the Org Dir will be contacted after all requests have been entered and provided a total to be paid via Credit Card over the phone.
 - ii. If a check is necessary for payment, coach or director can come by the Front Office the next business day with payment.
 - c. Coach will be sent the field confirmation via email after payment has been received.
