SHOWMOBILE POLICY

1. Any person or organization/agency desiring use of the Showmobile must make application on the designated Showmobile Request Contract Form. In addition, the person organization/agency must agree to comply with all the requirements of the Americans Disabilities Act. Applicant's signature denotes compliance.
2. Reservation shall be made no later than two (2) weeks prior to the desired date of use.
3. Rental fee must be paid at time of permit.
4. A renter must cancel five (5) working days in advance of the rental date in order to receive a refund. Cancellations made after this time result in forfeiture of the rental fee.
5. If the rental is canceled due to inclement weather, the refund shall be based on the costs incurred by the City as a result of the agreement. If the Showmobile is fully set up before a cancellation occurs, no refund will be given.
6. Parks Division personnel will approve all Showmobile locations to avoid potential damage of turf, facilities, and the Showmobile itself.
7. The City does not have a public address or sounds system; however, the Parks Division will provide **instruction** for hook-up of a sound system and electrical circuitry. If any additional electrical work needs to be done there will be a \$35.00 per hour charge with a minimum one-hour charge.
8. The City does have a generator that the renter may use for a fee of \$50.00. Use of the generator **MUST** be arranged at the time of contract.
9. All groups, regardless of affiliation, must pay the transportation fee.
10. If you are planning on having the showmobile set up outside of city limits, we charge an additional transportation fee of \$10.00 per mile.
11. A reservation hold fee of \$100.00 must accompany the Rental Request/Contract Form. Reservations are taken on a first come basis.
12. If the Showmobile will be kept at a site overnight, all groups must provide overnight security.

I, the undersigned, have read the above rules and policies and agree to adhere to all requirements.

Recycling Options for Public Events

Purpose

Organizers are required to provide recycling for large events held in Fort Collins parks as a condition of their permit from the Parks and Recreation Department, in alignment with the City's goals to divert waste from landfill disposal. The following information is intended to help park users determine how to design and implement a recycling program best suited for their event. Additional information about recycling is available from the City's Natural Resources Department at (970) 221-6600.

What Gets Recycled?

At minimum, materials that must be collected include all "commingled" beverage bottles and cans: glass, aluminum, plastic, and steel (tin) containers. In addition, if significant amounts of higher-grade waste paper will be generated by an event (i.e., brochures, flyers, or publications), or if there is a lot of cardboard, it must also be recycled.

Where do Materials go to be Recycled?

All recyclables collected at City park events must be delivered to a legitimate recycling plant or broker (e.g., not disposed of in landfills). If you use a vendor to provide collection services, they may have their own processing plant. Other recycling facilities or processors in the area are listed at the end of this document.

Who Provides Collection Service?

Event organizers may either collect the recyclables themselves and deliver them to a processor (referred to here as self-hauling) or hire a vendor.

Self-haulers

Self-haul recyclers should use clearly labeled containers for collecting material separately from trash. Recycling containers may be co-located with trash receptacles, but ample signage should be used to help attendees make the distinction between the two types of collection containers. Remember, if cross-contamination occurs, it is very time-consuming and difficult to clean up materials to meet recycling processors' quality standards.

Local Service Providers

Event organizers may contact several recycling companies, as well as trash haulers, about providing recycling services. Prices and types of recycling containers offered will vary.
