

WHAT IS THE WEST CENTRAL AREA PLAN?

First adopted in 1999, the West Central Neighborhoods Plan provides a vision and policy guidance for the areas directly to the south and west of the Colorado State University Main Campus. The West Central Area Plan (WCAP) will be an update to the 1999 plan.

The plan will also include a detailed design for Prospect Road from Shields Street to College Avenue.

WHY DOES IT NEED TO BE UPDATED?

With 15 years of development and growth, along with potential changes in the near future, it's time to revisit the plan for this area. The plan will be updated to better reflect the vision and desired character of the area and address new opportunities and issues that have emerged.

PLANNING PROCESS

The WCAP will be updated over the course of the next year, with ongoing opportunities to get involved and share your ideas.

We need your input!
