Fort Collins Police Services Neighborhood Enforcement Team

**Impacting crime
and improving the
quality of life for
citizens.**

NET exists to be a liaison between citizens and Police Services, assisting in crime related nuisance abatement and quality of life issues making your neighborhood a safer, more enjoyable place to live and work.

FAQ's

Q: My neighbors have heavy traffic coming and going from their house throughout the day. I think they may be engaging in illegal activity. They also have loud parties every night. I'm concerned about letting my kids to go outside during the day.

A: Call your area NET officer to work through this problem together and come up with a solution to feel safe in your home.

Q: I have a neighbor who has large amounts of trash in their yard and cars parked on the lawn. Can NET help?

A: Neighborhood Services would be the best resource to assist with these code compliance issues. Call (970) 224-6046

Q: It's midnight and my neighbors are having a large party making it difficult for my family to sleep.

A: Call an on duty patrol officer so Police Services can provide a quick response and put a stop to the party. Call (970) 419-FCPD

Q: My apartment complex has fallen victim to car trespasses, criminal mischief & other crimes. Can NET help?

A: Yes, See our **map on the back of this brochure** to see who your NET officer is. Call and give them information about what's happening in your neighborhood.

Neighborhood Outreach

NET can assist with ongoing, criminal issues, needing more thorough investigation and follow up, such as:

- **Neighborhood drug activity**
- **Re-occurring crime problems**
- **Repeat offenders and addresses**
- **Implement a Neighborhood Watch program**

****Several issues require an initial, immediate response from an on duty patrol officer. Call 9-1-1 for emergencies or (970) 419-FCPD for non-emergent calls.**
