

7097 DDA 2010 Alley Paver Project

City of Fort Collins Art in Public Places Program

The Downtown Development Authority (DDA), in cooperation with the City of Fort Collins Art in Public Places Program, is requesting designs for artwork to be incorporated into upcoming Downtown Alley Enhancement Projects.

PROJECT

The Downtown Development Authority is embarking on an alleyway enhancement program to create vibrant and engaging pedestrian linkages in downtown Fort Collins. The DDA seeks drawings by local youth to be a part of the alley enhancements. This is the second open competition to select drawings for this project. The DDA requests black & white line drawings, either representational or abstract concepts, demonstrating one of the following themes: **1) Sustainability in Fort Collins, 2) Fort Collins History, or 3) Music/Art/or Cool Patterns.** The selected designs will be sandblasted into granite pavers and placed in downtown alleyways. The artwork will be a signature piece in Fort Collins and be highly visible to the public.

Finalists Chosen: February, 2010
