

7111 APP Pedestrian Paver Project 2010

City of Fort Collins Art in Public Places Program

Request for Proposal

The Fort Collins Art in Public Places Program is requesting designs for artwork to be incorporated into the City's streetscape.

PROJECT

The City's Transportation Department works to provide safe pedestrian access by creating new pedestrian routes as well as improving existing areas. The City requests black & white line drawings, either representational or abstract concepts, demonstrating a transportation theme, or life in Fort Collins. The winning designs will be sandblasted into granite pavers and placed in various sidewalks. The artwork will be a signature piece in Fort Collins and be highly visible to the public.

TIME LINE

Submission Deadline: Must be received by 5 p.m. on March 12, 2010

Finalists Chosen: March, 2010

Installation dates and locations: To be determined.

ELIGIBILITY

Artwork will be accepted from residents and/or schools within the City of Fort Collins city limits. Entries will be reviewed in three age categories; 3-8, 9-12, and 13-18. Each artist may submit only one drawing.

BUDGET

Artists whose designs have been selected by the committee will be awarded \$50. Up to 15 designs will be selected.

SELECTION PROCESS

The selection committee may consist of the seven members of the APP Board, two representatives from the City's Engineering Department and one City Purchasing Department representative. The committee will review submissions and either recommend finalists or make a final recommendation. The selection committee reserves the right to reject any or all entries at any time in the review and selection process.

SELECTION CRITERIA

Suitability of the design to the mission of this project, including form, content, scale and clarity.
