**OPTIONAL BIXPO EXPO BOOTH – SEE BELOW!**

**LIMITED SPACE AVAILABLE!!**

**\* \* WHAT'S NEW THIS YEAR!! \* \***

RMGPA will host the **7th Annual RVTS** in conjunction with the 2010 Northern Colorado Business Report Bixpo Expo Event in Loveland, Colorado hosted at the Embassy Suites in Loveland. Register NOW!

The following opportunities are planned for RVTS Vendor participants:

- ✓ Government Contracting Technical Assistance Workshop
- ✓ RMGPA Business Advisory Community Introduction – “BAC to the Future”

**OPTIONAL BIXPO EXPO BOOTH:** (Additional cost) Vendors have opportunity to staff a Bixpo booth and attend the RMGPA Reverse Vendor Trade Show in the same venue. Registration is dependent on availability and interest from the vendor registration. Bixpo Expo Booth registration is provided by contacting the Bixpo Event Director, De Dahlgren at (970) 221-5400 ext. 202 or [ddahlgren@ncbr.com](mailto:ddahlgren@ncbr.com)

**PLEASE NOTE:** Since the RVTS is a REVERSE trade show, vendors will not be staffing booths. The tables have been turned where representatives from the participating public procurement agencies will be staffing the booths. No need to cart the heavy backdrops, banners, or table covers. This will be your opportunity to visit us at our booths.

- ✚ You can expect an informal, friendly atmosphere with no competition involved. This is set to be a one-on-one time between vendors and public purchasing professionals. *The best part is that everyone is under ONE roof.*
- ✚ Be ready to speak freely and comfortably about your products and services at a very reasonable registration cost. You will get more connections for a lot less money!
- ✚ You will have the ability to meet with purchasing divisions from various public entities from all over Colorado & Wyoming. Pick up vendor applications, bid listings, and much more! Team up with purchasing pros to make your score.
- ✚ This will be a fulfilling day for everyone involved. Many great aspects will occur, from networking, to very valuable contact information that will help in increasing resources to obtain products and services.
