

Programs Available from the City of Fort Collins WRAP (Waste Reduction & Recycling Assistance Program)

Assessments & Education

Not sure how to go about starting a recycling or compost program? Contact us for a free on-site assessment. We'll look at your current systems and suggest what a recycling or compost program might look like for your site. If there are any likely barriers to starting a program, we can help brainstorm solutions. Once you're ready to start a program, we're available to help with program implementation and education of your staff or residents.

Rebates

All rebates are for businesses or apartment/condo complexes ready to start a new recycling or compost program.

Start Recycling

- Service Rebate
 - 50% rebate on first six months of recycling service when you sign up for one year of recycling service
 - up to \$500 per applicant
- Start-Up Costs Rebate
 - 75% rebate on recycling program start-up costs
 - up to \$250 per applicant
 - Can be used to purchase indoor recycling collection bins. Other relevant start-up costs may be eligible as well and may be approved on a case-by-case basis.

Start Composting

- Service Rebate
 - 50% rebate on first six months of compost collection service when you sign up for one year of compost collection service
 - up to \$500 per applicant
- Start-Up Costs Rebate
 - 75% rebate on compost program start-up costs
 - up to \$250 per applicant
 - Can be used to purchase indoor compost collection bins or compostable liner bags. Other relevant start-up costs may be eligible as well and may be approved on a case-by-case basis.

Referral Incentive

- Refer a friend or colleague, get a reward
- Be sure to "talk up" this program to others in the community! For each business or apartment / condo complex you refer that successfully starts a recycling or compost program and participates in these rebate programs, you earn a \$50 Downtown Bucks gift card.
