

Assessments and Education

Not sure how to go about starting a recycling or compost program? Contact us for a free, on-site assessment. We'll look at your current systems and suggest how a recycling or compost program might best work for your site. If there are any likely barriers to starting a program, we can help find solutions.

Once you're ready to start a recycling or composting program, we're available to help with program implementation and education of your staff or residents.

- Up to \$500 per applicant

PLUS

Start-Up Costs Rebate

- 75% rebate on compost program start-up costs
- Up to \$250 per applicant
- Can be used to purchase indoor compost collection bins or compostable liner bags. Other relevant start-up costs may be eligible and are approved on a case-by-case basis.

Referral Incentive

Get Rewarded

Refer a friend or colleague, get a reward.

Talk it Up

Be sure to “talk up” this program to others in the community! For each business or apartment/condo complex you refer that successfully starts a recycling or compost program and participates in these rebate programs, you’ll earn a \$50 Downtown Fort Collins gift card.

Why Recycle? Starting a recycling program can:

- Save you money on your trash bill
- Increase employee morale
- Increase tenant and/or customer loyalty
- Improve your image to the public and increase your “green” credentials
