

# Comparison & Analysis of Community Recycling Ordinance Elements

	Estimated annual diversion impact, progress toward 2020 Road to Zero Waste (RTZW) goal	Estimated GHG impacts (MTCO2E), progress toward 2020 Climate Action Plan (CAP) goal	Estimated cost to user	Comments
<b>Single-family service surcharge equal to up to 25% of cost of smallest trash cart rate</b>	No likely impact on diversion	None	Up to \$3-4/month	Allows haulers to cover cost of fluctuating items such as fuel or fee to deliver recyclables.
<b>Multi-family / commercial: requiring recycling be at least 30% of overall service</b>	<ul style="list-style-type: none"> <li>○ 15,000 tons</li> <li>○ 4.2 percentage point diversion rate increase</li> <li>○ 25% of tons needed for 2020 RTZW goal</li> </ul>	<ul style="list-style-type: none"> <li>○ -12,740 tons</li> <li>○ 5.1% of reductions needed to meet 2020 CAP goal</li> </ul>	Potential additional 33% to 50% cost / customer <i>(for those not already recycling)</i>	Would include process to opt-out if location self-hauls recyclables or otherwise can't recycle.
<b>Require haulers to provide optional yard trimmings collection service to all single-family homes</b>	<ul style="list-style-type: none"> <li>○ 400 tons</li> <li>○ 0.1 percentage point diversion rate increase</li> <li>○ 1% of tons needed for 2020 RTZW goal</li> </ul>	<ul style="list-style-type: none"> <li>○ -223 tons</li> <li>○ 0.1% of reductions needed to meet 2020 CAP goal</li> </ul>	\$13-15 / subscriber (optional)	Allows customers who are ready to start composting yard trimmings to participate no matter which hauler they choose.
<b>Require grocers to have compost collection</b>	<ul style="list-style-type: none"> <li>○ 650 tons</li> <li>○ 0.6 percentage point diversion rate increase</li> <li>○ 1% of tons needed for 2020 RTZW goal</li> </ul>	<ul style="list-style-type: none"> <li>○ -667 tons</li> <li>○ 0.3 % of reductions needed to meet 2020 CAP goal</li> </ul>	Potentially cost neutral, potential additional cost	All grocers except Safeway, Target, Albertsons, Beaver's already have compost collection
<b>Removed from package:</b> Collect all-organics from all single-family homes year-round (bundled)	<ul style="list-style-type: none"> <li>○ 23,700 tons</li> <li>○ 6.6 percentage point diversion rate increase</li> <li>○ <i>(39% of tons needed for 2020 RTZW goal)</i></li> </ul>	<ul style="list-style-type: none"> <li>○ -19,143 tons</li> <li>○ 7.7 % of reductions needed to meet 2020 CAP goal</li> </ul>	\$8 / household	Includes yard trimmings, food scraps, paper towels etc. Bundled with trash and recycling service.
<b>Removed from package:</b> Require food scraps subscription from restaurants	<ul style="list-style-type: none"> <li>○ 24,500 tons</li> <li>○ 6.8 percentage point diversion rate increase</li> <li>○ <i>(41% of tons needed for 2020 RTZW goal)</i></li> </ul>	<ul style="list-style-type: none"> <li>○ -25,126 tons</li> <li>○ 10.1% of reductions needed to meet 2020 CAP goal</li> </ul>	Variable	Costs for service will decrease with more customer density for haulers.
