

OUTDOOR

VENDOR

REQUIREMENTS

MENU

Starters

Outdoor Vendor shall mean any person, whether as owner, agent, consignee or employee, who sells or attempts to sell, or offers to the public, any services, goods, wares or merchandise including, but not limited to food or beverage, from any outdoor location regardless of whether a fee is charged for such goods or services. (See Specialties Section below for exemptions.)

Entrees

All entrees come in half orders (6 months) for \$60.00 or in full orders (12 months) for \$120.00

Mobile Food Truck

(Not on a concession agreement site)

A motorized wheeled vehicle, or towed wheeled vehicle designed and equipped to serve food. Shall include both "hot trucks" upon which food is cooked and prepared for vending, and "cold trucks" from which only commissary-prepared, ready-to-eat or packaged foods in individual servings are handled.

May vend only on lots in non-neighborhood zone districts or on streets in locations in non-neighborhood zone districts where parallel parking is allowed.

May not stop to vend within two hundred (200) feet of the property boundary of any public or private school for students within the grade range of kindergarten through twelfth (12th) grade.

May vend only food and non-alcoholic beverages.

Permanently affix or paint any signage on the mobile food truck, with no signs/banners in or alongside street right-of-way or across roadway.

Neighborhood Mobile Food Vendor

An Outdoor Vendor operating in locations on streets that are in neighborhood zone districts from a mobile food truck or pushcart licensed for use in the retail sale or service of only commissary-prepared, ready-to-eat or packaged food in individual servings. This shall not include a vendor operating from a mobile food truck or pushcart on which food is cooked.

Vend only on streets in locations in neighborhood zone districts where parallel parking is allowed.

May not stop to vend within two hundred (200) feet of the property boundary of any public or private school for students within the grade range of kindergarten through twelfth (12th) grade.

Vend only during the hours of 10:00 am to 8:00 pm.

Vend only food and non-alcoholic beverages.

Stop to vend only in locations that are no more than twelve (12) inches from a curb or edge of travel lane.

Cannot stop for more than fifteen (15) minutes in any particular cul-de-sac, or on any particular block face.

Outdoor Vendor of Miscellaneous Goods and Services

An Outdoor Vendor who offers miscellaneous goods or services to the public on private property from an outdoor location, regardless of whether a fee is charged for such goods or services. Examples include, but are not limited to: Christmas tree sales, pumpkin patches, windshield chip repair, temporary car washes, temporary non-profit fundraising sales.

Shall operate only on lots in non-residential zone districts.

Outdoor Vendor of Transportation Services

An Outdoor Vendor not regulated by the Colorado Public Utilities Commission who sells or offers transportation services to the public from an outdoor location, regardless of whether a fee is charged for such services. Shall include, but are not limited, to valet parking services, pedal powered vehicles, horse-drawn carriages or other means of transportation service offered for hire.

Operate in accordance with all vehicular traffic laws and regulations, including, but not limited to equipment requirements such as front and back lights and side reflectors.

Limit stopping and standing in street right-of-way or alleys so as to avoid delay or obstruction of traffic.

Stop to vend services only in locations that are no more than twelve (12) inches from a curb or edge of travel lane.

Operate so as to avoid obstruction of pedestrian traffic and not on sidewalks.

Pushcart

(Not on a concession agreement site)

A mobile vending cart, pushcart, or trailer, that is not motorized or attached to a vehicle for towing and that does not exceed ten (10) feet in length (excluding the length of the trailer hitch, if any), four (4) feet in width, or eight (8) feet in height. A pushcart may be used to cook and prepare food for vending, or to serve commissary prepared, ready-to-eat or packaged food in individual servings.

Vend only on lots in non-neighborhood zone districts or on streets in locations in non-neighborhood zone districts where parallel parking is allowed.

May not stop to vend within two hundred (200) feet of the property boundary of any public or private school for students within the grade range of kindergarten through twelfth (12th) grade.

Vend only food and non-alcoholic beverages.

Stop to vend only in locations that are no more than twelve (12) inches from a curb or edge of travel lane.

Special Event

Individual vendors participating in a "Special Event" in which the organizer has been issued a permit under Chapter 23.5, are not required to obtain an outdoor vendor license for such event. Each vendor is required to apply for a temporary City sales tax license if they do not have a permanent City sales tax license.

Special Vending License

A special vending license is issued to a person responsible for an occasional, temporary event located solely on a single private lot when the event does not require the issuance of a special events permit under Chapter 23.5. Examples are a lemonade stand, anniversary celebration at a car lot, etc.

No more than four (4) such licenses shall be issued for a specified property during any calendar year. May not exceed three (3) days per event.

No more than four (4) outdoor vendors of any single vendor type may participate as part of a licensed event.

No more than a total of eight (8) outdoor vendors may participate as part of a licensed event.

The number and type of outdoor vendors to be allowed as part of a licensed event shall be determined by the Financial Officer based on the specific circumstances of the proposed event, including, but not limited to, the location of the event, the size of the lot where the event is held, the types of surrounding land uses and the proximity to the event, and any other potential impacts on public health, safety and welfare that the proposed event may have.

Ala Carte

Operations and Restrictions for all Outdoor Vendors
