Notice of Vendors Fee Rate Decrease

The Fort Collins City Council approved a reduction in the Vendors Fee in November 2007. The revised fee allows vendors to keep 1.0% of the first \$4,500 in tax collected with a maximum fee of \$45 per reporting period. The fee rate change is effective for taxes collected on or after January 1, 2008.

Beginning with the January 2008 return (due on February 20, 2008), the maximum Vendors Fee allowed will be \$45 for all returns filed on or before the due date.

The 2008 tax returns will have the change noted on Line 8 of the form. Please make sure that any returns filed by a tax service correctly reflect the fee change.

This is not a decrease in the City's sales tax rate.

The rate for taxable items remains at 3.0% and the rate for grocery food for home consumption is 2.25%.
