## KEY QUESTIONS TO CONSIDER:

- What do you feel works well regarding current area transit services?
- Where do you see opportunities to improve efficiency of current area transit services? For example: route redesign, increased frequency or hours, regional service coordination, partnerships, marketing/promotion, other?
- What gaps or unserved areas are most important to connect with transit services?
- What do you feel would be necessary to encourage more people to use Transfort or COLT?
- How well does the current school bus and public transit system serve Poudre School District transportation needs? Please share any comments about opportunities for improvements.
