

## Illuminating Lighting Technologies

December 8, 9 a.m.–noon

LED and fluorescent lighting are in the spotlight. Learn about induction, high-performance T-8 systems and lighting controls.

Financial incentives may be available for your business's lighting projects.

**Programs are free of charge  
but an RSVP is requested.  
All programs will be held at  
Café Columbine and Bakery,  
802 W. Drake Rd., Suite 101.**

Collins Utilities, Natural Resources and Transport

# 2009 Business Environmental Program Series

Café Columbine and Bakery, 802 W. Drake Rd., Suite 101

## Funding Options to Green Your Business

September 8, 9 a.m.–noon

Learn about available financial resources to green up your business. From local rebates to federal tax incentives, discover how these tools can help you make the case for investments in efficiency and renewable energy.

## Advanced Waste Reduction

September 22, 9 a.m.–noon

Learn to manage hard-to-recycle materials, start composting programs and develop zero-waste approaches for operations and events. These tips can improve your bottom line and increase operational efficiency.

## Transit and the Triple Bottom Line

October 6, 9 a.m.–noon

Explore how development and use of public transportation help businesses achieve the triple bottom line. Join the discussion on employee-based Transfort programs, Mason Corridor, and benefits of public transportation for your business and our community.

## Green Up Your Act: Employee Engagement

October 13, 9 a.m.–noon

Engage and motivate employees to practice conservation. Dr. Jennifer Cross, CSU Department of Sociology, and other local experts will highlight successful case studies and tips to encourage organizational change, internal process updates and mindset shifts.

## Fiddling with Your Roof

October 27, 9 a.m.–noon

Discover how your business can benefit from a “green roof” or “white roof.” Hear cost-and-benefit information regarding rooftop photovoltaic systems, and see the difference daylighting (such as rooftop monitors and skylights) can make.

## Watering with Conservation in Mind

November 10, 9 a.m.–noon

Keep water costs down and quality up. Find out about the newest technology, techniques and tips for making your landscape water-efficient. Also, learn about the City of Fort Collins’ new landscape and irrigation regulations for developments.

RSVP to [utilities@fcgov.com](mailto:utilities@fcgov.com) or (970) 221-6700 by the Thursday prior to each program.
