Greening the Fort

Tuesday, Oct. 26, 9 a.m.–noon

Get the scoop on green building in Fort Collins, including updates on current leading-edge projects and next steps in building codes.

The goal of Fort Collins' Green Building Program is to develop a framework where building projects align with community goals of maintaining a vibrant economy, healthy community and sustainable environment.

Learn more about:

- Living Environments in Natural, Social, and Economic Systems (LENSES), a process and metrics guide to regenerative design
- Current projects in Fort Collins
- Related green building code proposals

Presenters Include:

- Josie Plaut, Institute for the Built Environment, Colorado State University
- Rob Ross, Merten Design Company
- John Phelan and Gary Schroeder, Fort Collins Utilities

For more information, contact John Phelan at (970) 416-2539 or jphelan@fcgov.com. Please help us make this a zero-waste event.

To learn about other programs in the series, visit fcgov.com/beps, call (970) 221-6700, e-mail utilities@fcgov.com or TDD (970) 224-6003.
