## The Next Wave for Conservation and Sustainability Tuesday, Sept. 14, 9 a.m.–noon

Discover successful strategies to integrate the environmental, economic and social elements of sustainability into your business.

Presenters include:

- Mona Newton, Governor's Energy Office
- Kathy Collier, Program Manager, Climate Wise Program
- Dr. Rosemarie Russo, City of Fort Collins' Sustainability Coordinator
- Brian Dunbar and Josie Plaut, Institute for the Built Environment

Learn from local case studies how to successfully incorporate and reach sustainability goals. The Governor's Energy Office will present new State initiatives designed to assist the business community. An employee challenge worksheet will be provided to jump start sustainable behavior changes.

Presenters also will highlight regenerative design, featuring the wise reuse of existing materials. Participants are encouraged to contribute throughout the program.

For more information, contact Kathy Collier at (970) 221-6312 or [kcollier@fcgov.com](mailto:kcollier@fcgov.com). Refreshments provided. Please help us make this a zero-waste event.
