Subject: Streetlight Installation

Dear \_\_\_\_\_ ,

The residents of the \_\_\_\_\_ block of \_\_\_\_\_ have requested the city of Fort Collins Light and Power to furnish and install, at its expense a streetlight approximately on the \_\_\_\_\_ corner of \_\_\_\_\_.

The City's process requires that owners of property affected by the streetlight reach a consensus regarding installation of a new streetlight. The impacted properties are determined by whether the proposed streetlight may provide light to their property. In order to have the above light installed, your approval is needed. If you approve or have objections, please indicate your preference below and return your response in the enclosed self-addressed stamped envelope.

To assure that the process can be completed in a timely fashion, a non-response after a period of 30 days from time of postmark will be considered consent. If you have any questions regarding the streetlight installation, please contact me at \_\_\_\_\_ and/or call the City of Fort Collins Light & Power, Engineering Department at 970-221-6700.

Sincerely,

\_\_\_\_\_

☐ Yes, you have my consent for installation

☐ No, I prefer the light not be installed.
