Session Schedule

Session #1: 9:15–10:30 a.m.

What's Growing On: Vines for Colorado Gardens

Curtis Utley, CSU Extension

Learn about selection, culture and utilization of vines for Colorado landscapes.

Session #2: 10:45 a.m.–Noon

Water Smart Rock Gardening

Kirk Fieseler, Laporte Avenue Nursery

Learn how to build and plant a rock garden with water conservation in mind.

Session #3: 1–2 p.m.

Pioneer Plants for the 21st Century Garden

Mary Ann Newcomer

"Sentimental," enduring, beautiful, rugged, historical and drought tolerant—these all describe heirloom perennials and annuals. Glorious antique varieties of peonies, iris, roses, narcissus, daylilies, hollyhocks and others will be taking center stage. Learn about these hardy beauties in contemporary settings.

Session #4: 2:15–3:15 p.m.

Creating Beautiful Garden Tapestries

Mary Ann Newcomer

Many of us struggle to find pleasing, colorful perennial partners for our beds and borders. Learn how to look for the common color characteristics, or color "echoes," and tie them together from one plant to the next for a harmonious composition.
