

The following contractors or vendors (listed alphabetically) have demonstrated their interest and ability in helping businesses complete energy-efficient lighting retrofits and apply for funding from **LIGHTENUP**

Platte River Power Authority's **LIGHTENUP** provides cash incentives for energy-saving lighting retrofits. An application must be submitted to Platte River and approved *before* the retrofit is begun. The program is open to all commercial electricity customers of Town of Estes Park Light & Power Department, Fort Collins Utilities (City of Fort Collins), Longmont Power & Communications (City of Longmont), and Loveland Water and Power (City of Loveland). **Customers may work with any vendor or contractor and are not limited to those on this list.** This list is simply intended as a starting point for customers without a prior relationship with a vendor or contractor. Customers are encouraged to solicit two or more bids.

Contractor/Vendor	Contact Person	# of Projects Completed	Avg. Customer Star Rating (4 stars possible)
