Beginning in 2012, only customers who heat their homes solely with electricity will qualify for the Residential Demand (RD) electric rate. Please verify you live in an all-electric home and provide safe and unobstructed access to the electric meter by filling out and returning the form below. (Electric-heat customers may change rates no more than one time per year.)

Please keep in mind, City electric service rules require customers to provide safe, unobstructed access to electric meters at all times to allow City employees to read the meter on a monthly basis and manually reset the demand. You may not remain on the Residential Demand electric rate, if you do not provide safe, unobstructed access to the meter at all times.

We encourage you to make efficient energy choices. Utilities offers many programs to help you save energy and reduce your monthly electric bills. To learn more, visit [fcgov.com/conserves](http://fcgov.com/conserves).

Please visit [fcgov.com/residential-electric-rates](http://fcgov.com/residential-electric-rates) or contact customer service at (970) 212-2900 for more information.

Name \_\_\_\_\_

Address \_\_\_\_\_

Utility Account Number \_\_\_\_\_ - \_\_\_\_\_

By my signature below, I swear and affirm under penalty of perjury under the laws of the State of Colorado that the residence located at the above address is heated solely with electricity and not any other form of energy. I understand this sworn statement is required because of a recent change to the criteria for participating in the Residential Demand (RD) electric rate offered by the City of Fort Collins. I recognize and acknowledge that if I do not provide safe, unobstructed access to my meter, I may no longer be eligible to participate in the Residential Demand (RD) electric rate.
