WELCOME AND INTRODUCTION

- Minutes approved
- Minutes will be more focused on getting across what happened at each meeting

SUBGROUP UPDATE

- Agriculture
 - Planning to present to Rocky Mountain Farmers Union May 5th (7:00pm @ Perkins in Loveland), and Larimer County Agriculture Advisory Board on May 13th (12:30pm @ Extension Conference Room 1525 Blue Spruce Dr.)
 - CMC will present on the services they provide
 - Present California best-practices document
 - Working on mapping agriculture and irrigation type
 - Update on Adulticiding Opt Out materials
 - Concerns expressed about format of the page (progression of steps is confusing)
 - CPIO will work on these edits
 - CPIO will add CMC service boundary to website
 - Broox will get this map out
- Public Outreach and Community Involvement
 - City and County communications employees met to look at ways to leverage and co-brand both entities' marketing campaigns
 - Drafts for materials were completed today
 - Campaign is similar to last year
 - Will incorporate comments on the website Business Opt Out page
 - Will add link to the CMC boundary map to webpage
 - What does the county do in terms of distribution?
 - Pairs up with City to attend events with public outreach materials

- Still working on where Katie's time can best help
 - CPIO hiring a new Public Engagement Liaison
 - Reach out to difficult-to-reach populations
 - Looking to focus on measuring effectiveness of campaign moving forward
 - Dana will send the public outreach information along to CPIO
- Business Opt Out
 - Covered in CPIO
- Best Practices
 - Meeting next Tuesday
 - Chet picked up a copy of Florida's best management practice book
 - Will look into getting this electronically
 - Include an element on monitoring and managing pesticide resistance
 - Include the ramifications of resistance development
- Pesticides/Repellant Review
 - Have not met
 - Document exchange happening
 - Dropbox system is set up
 - Nine sources meeting the recent and relevant criteria
 - Anticipate more sources from Greg, Eric, and Chet
 - Findings
 - Mike will send out findings document with minutes
 - CPIO will update the FAQs with the resistance information
 - A federal agency has filed suit against a citronella wristband manufacturing company due to false marketing
 - CPIO will explore what type of bracelet the City is planning on using

ORGANIZATIONAL COMMUNICATION

- City/County communications
 - Have started discussing:
 - The district idea (on BMP agenda)
 - A couple different models for formation:
 - Only unincorporated areas
 - Pest management district
 - Expanding duties/responsibilities of existing weed district
 - Fossil Creek reservoir
 - Surveillance/traps
- Communications to Council
 - Dan and Mike will bring Council up to speed with the West Nile Virus program
 - A memo update this year
 - Include recommendation for continued discussion/interaction between City and County
 - Draft this memo for review by the TAC
 - Will shoot for June
 - Mike will circulate manual and edits
- Mike has been to both the Parks and Recreation Board and the Youth Advisory Board
 - Gave updates on the WNV presentation
- CMC will start sampling next week

PUBLIC COMMENT

- No public comment

Next meeting will be at 413 S. Bryan conference room on May 6th from 4:30-6:30pm.

- From this meeting, will shift to meeting every other month
