

Application Request for Variance from the Land Use Code

The Zoning Board of Appeals has been granted the authority to approve variances from the requirements of Articles 3 and 4 of the Land Use Code. The Zoning Board of Appeals shall not authorize any use in a zoning district other than those uses which are specifically permitted in the zoning district. The Board may grant variances where it finds that the modification of the standard **would not be detrimental to the public good**. Additionally, the variance request must meet at least one of the following justification reasons:

- (1) by reason of exceptional physical conditions or other extraordinary and exceptional situations unique to the property, including, but not limited to physical conditions such as exceptional narrowness, shallowness, or topography, the strict application of the code requirements would result in unusual and exceptional practical difficulties or undue hardship upon the occupant/applicant of the property, provided that such difficulties or **hardship** are not caused by an act or omission of the occupant/applicant (i.e. not self-imposed);
- (2) the proposal will promote the general purpose of the standard for which the variance is requested **equally well or better than** would a proposal which complies with the standard for which the variance is requested;
- (3) the proposal will not diverge from the Land Use Code standards except in a **nominal, inconsequential way** when considered in the context of the neighborhood.

This application is only for a variance to the Land Use Code. Building Code requirements will be determined and reviewed by the Building Department separately. When a building or sign permit is required for any work for which a variance has been granted, the permit must be obtained within 6 months of the date that the variance was granted.

However, for good cause shown by the applicant, the Zoning Board of Appeals may consider a one-time 6 month extension if reasonable and necessary under the facts and circumstances of the case. An extension request must be submitted before 6 months from the date that the variance was granted has lapsed.

Petitioner or Petitioner’s Representative must be present at the meeting
