

Transformer Cabinet Mural Project 2018
Artist: Sharon Smith
Location: 139 Fishback (SP#36338)

Flower Alley

In this piece I use pinks, purples, greens and spirals to turn an electrical box into a whimsical garden in bloom. Exploring interconnectedness amongst humans and the natural world often inspires me.

Location: 409 Linden (SP# 56005)

Similar Differences

In this transformer cabinet I combine similar colors with different shapes to create unity and variety. I am exploring ideas of interconnectedness and harmony amongst apparently dichotomous entities.
