fcgov.com/police/cologic-start-report.php

Register your bike: fcgov.com/BikeRegistry

Colorado State University Police: 970-491-6425

Larimer County Sheriff: 970-498-5100

Colorado State Patrol: 970-224-3027

Report aggressive motorists: "(star)CSP

Bike-N-Ride

All Transfort buses are equipped to carry three to four bicycles, offering you a convenient option to expand your trip. Visit: ridetransfort.com/abouttransfort/bike-n-ride

RIDE SMART

- **Take a Brake:** Stopping at stop signs and traffic signals is required by law. Take advantage of the brief stop to catch your breath and say hi to fellow cyclists. \$50 fine
- **Go with the Flow:** Ride with the flow of traffic. Wrong-way riding on the road is against the law and is a leading cause of crashes. \$50 fine
- **Leave Sidewalks to Pedestrians** – It's best for cyclists to use roadways unless the sidewalk is the only option. If using a sidewalk, avoid riding against traffic. When entering streets, driveways and crosswalks, slow down and watch carefully for cars that might not see you. Dismount and walk through marked dismount zones. \$50 fine
- **Do the "Right" Thing:** Use rightmost lane that serves your destination. This may be the left-turn lane if you are turning left. \$50 fine
- **Ride Bright:** At night or when visibility is poor cyclists are required to use a front white light and rear red reflector. A red light and bright clothing with reflective elements are recommended to increase visibility. \$50 fine
- **Signal Your Movements:** Cyclists are required by law to use hand signals to indicate when they intend to change lanes, turn or stop. \$50 fine
- **Give Yourself Some Space:** Take the full travel lane when warranted and move back over to the right as soon as it is safe to do so. Ride no more than two abreast and single up if faster moving traffic is backing up behind you.
- **Line Up:** Don't try to squeeze between parked or moving cars. If there is no bike lane approaching an intersection, or when there are turning vehicles in the bike lane, you need to wait in line with the cars rather than squeezing through on the right.
- **Walkers Go First:** Yield to pedestrians at intersections, at mid-block crossings, on sidewalks and on trails. \$50 fine
- **Drive Your Bike:** Your bike is a vehicle; as the driver you must follow the laws and ride predictably to help other road users know what to expect. \$50 fine
- **Happy Trails for All:** Share the trail: slow down, indicate you are passing with a bell or your voice, and pass on the left when safe to do so. \$50 fine
- **Respect the Cone:** Obey traffic control signs in construction zones, and follow signed detours. \$50 fine
- **Think When You Drink:** Cycling under the influence is against the law. Get a ride or take a cab. \$1,000+ fine (a DUI on a bicycle is treated just like a DUI in a motor vehicle).
- **Blinded by the Light:** Be sun aware, the low-angle sun in the fall and spring can make it difficult for motorists to see you.
- **Protect Your Brain:** Your helmet should sit level on your head with the chin strap fastened and should be snug, but comfortable.

- **Sharrows** indicate a shared lane environment for bicycles and automobiles and recommend proper bicyclist positioning in the lane.
- **Locking Your Bike:** Use a U-lock and/or heavy cable to lock your bike frame and wheels to a secure object.
