

TRAIL IMPROVEMENTS FOR NORTHWEST FORT COLLINS

Beginning summer 2019, the City will complete several bicycle and pedestrian projects in northwest Fort Collins to improve safety and connectivity to schools, the Poudre Trail,

the Boys & Girls Club and other nearby destinations. The following projects bring together resources from several City departments as well as the County.

PROJECT FEATURES:

- New Natural Area near Taft Hill Road and Vine! Puente Verde Natural Area will include a soft surface trail, plus crossings on Vine and Taft Hill Road. Construction starts this summer.
- New shared use path on Vine (south side of the road) between Puente Verde Natural Area and Hannah Dr. Construction starts this summer.
- New trail connection between Lincoln Middle School and the Poudre Trail. Construction starts this summer/fall.
