## Application for On-Street Bicycle Parking Corral

### Overview:

Bicycle corrals are grouped bike parking installations placed in the parking lane. The City of Fort Collins will prioritize on-street bike parking corrals where demand for bicycle parking is higher than can be accommodated on the sidewalk. Approximately 8-12 bikes can be parked in one car space, making bicycle corrals an efficient use of roadway space.

The City will pay for up to 6 on-street bicycle corrals per year. Bicycle rack design will be determined by the City of Fort Collins. Applications will be reviewed and installed according to the schedule below.

### Criteria for Recommending and Approving Bicycle Corrals

Bicycle corrals will be recommended where short-term bicycle parking demand cannot be accommodated on the sidewalk and will be prioritized where:

- Demand is for five or more bicycle parking spaces
- Location does not create safety concerns

### Bicycle Corrals will not be located within:

- Bus loading zone
- Fire hydrant zone
- Tow-away zones
- Designated accessible parking spaces

### If not approved:

- Sidewalk racks will be installed where feasible
- Locations may be requested in the future if reasons for denial change.

### Application Review and Installation Schedule:

Applications/requests will be accepted on an ongoing basis. Applications will be reviewed and bike parking will be installed twice per year, according to the schedule.

2014 APPLICATION REVIEW PROCESS:		
Applications Due	Review Process	Implementation Timeline
June 30	June 30 - July 30	August
August 30	August 30 - September 30	October

## Application for On-Street Bicycle Parking Corral

### Contact Information

Name of contact person/property or business owner

\_\_\_\_\_

Email address and phone number

\_\_\_\_\_

Describe the location where the bike corral is requested. Please be as specific as possible:

\_\_\_\_\_

\_\_\_\_\_

How many existing bicycle racks are there? \_\_\_\_\_

How many bicycles are typically parked at there? \_\_\_\_\_

*Please include a photo demonstrating the demand for additional on-street bike parking at your location.*

### Maintenance Agreement

By signing this application, the applicant of the proposed corral agrees to regular sweeping/debris removal of the facility.

**Application to install an on-street bicycle parking corral has been submitted for the address described above.**
