Asbestos Statement Disclosure

Address

Permit #

In accordance with the State of Colorado Senate Bill 13-152, property owners, applying for a remodel permit, shall indicate their awareness about their property having been inspected for Asbestos Containing Materials (ACMs).

Property owner, please check the appropriate box below and sign:

- I do not know if an asbestos inspection has been conducted on this property.
- An asbestos inspection has been conducted on this property on or about _____.
- An asbestos inspection has not been conducted on this property.

Signature

Date

Your remodel project may be subject to State and Federal Regulations requiring an inspection for ACMs. Asbestos can be found in these and many other building materials: ceiling tiles and textures, vinyl floor coverings and mastic, boiler and pipe insulation, heating and cooling duct insulation, roofing products and clapboard shingles, etc.

For more information about Asbestos or forms, please contact:
