

Stock Plan Re-Review

Stock plan designs expire when new codes are adopted, and need to be re-applied for with new documents reflecting current code. A new stock plan # will be provided. Please fill out this form if you are resubmitting a previously approved stock plan under the new codes.

What is the prior Stock Plan # provided by Fort Collins Building Services?

Are you adding or removing any stock plan options on this stock plan compared to the previously approved stock plan?

*****Does this building design include or include options for 2 kitchens/kitchenettes?**

Will there be any design changes on this stock plan compared to the previously approved stock plan?
If Yes, check all that apply:

- Changes to shape, size, or height of the structure/building
- Doors or window changes (amount, locations, size)
- Electrical changes (other than outlet locations)
- Elevation changes to the building
- Layout changes
- Adding or removing bedrooms or bathrooms.
- Scope of work area is increasing or decreasing
- Space or rooms are changing function.
- Structural changes
- ***Multi-family buildings: changes to building materials/colors/windows/doors/elevations
- Other. List here:
