Electronic Document Submittal Guide for building permits

The following are instructions for completing an Electronic Document Submittal:

Step 1: Prepare required documents. Building permit process and submittal checklist guides are available at: <https://www.fcgov.com/building/application.php>.

Step 2: Organize and format files as follows:

- a. Group and name each file according to the [Electronic Document Naming Instructions](#) below.
- b. PDF "Plans" must be combined into a single PDF file (Arch + Structural + Commercial MEP, etc).
- c. PDF plans and site plans must be generated to scale (e.g. 1/4" = 1'; 1/8" = 1'; 1:10; etc).
- d. PDF plans must be legible when printed to scale (Font size on plans shall not be smaller than size 8)
- e. PDF documents/files cannot be locked, or password protected, and shall have permissions set to allow annotations, form fill, and signing by City staff.
- f. Plans prepared by design professionals shall contain an information block with name, license number, signature and contact information.
- g. If required for your project type, each sheet of the plans must be sealed and signed by the designer of record. The signature may be applied to the drawing electronically in accordance with Colorado architectural and engineering standards in a flattened, non-working format.
- h. PDF plans must be oriented so that north is always at the top of the monitor and oriented either landscape or portrait view so that the top of the page is always at the top of the monitor. Pages cannot be rotated in different directions/orientations).
- i. Plans cannot have any working, active, or living comments (must be a clean, flattened set).
- j. Maximum size for any file shall be 75MB.

Step 3: Submit all required plans and documents. Name each separate file according to the naming conventions below. Incomplete submittals will not be accepted or routed for review.

Step 4: Email submittal to BuildingServices@fcgov.com

Step 5: A staff member will contact you for payment.

Re-Submittal Instructions

for electronic building
permit documents

AN E-MAIL WILL BE SENT TO THE "APPLICANT" IF A RESUBMITTAL IS REQUIRED.

This means that corrections need to be made prior to permit issuance and construction. Re-submittals receive a reduced review time, typically less than 2 weeks.

- 1:** Login to your account at the City's [Citizen Access](#) portal. You must create an account re-submit plans.
- 2:** Type the building permit number into the "Simple Search" box or click "Search Permits" to see a list of active permits associated to your account.
- 3:** Select the permit you want to resubmit documents for by clicking on the permit number.
- 4:** On the permit information page, click the arrow next to "Attachments". This will reveal a list of documents—THERE MAY BE MULTIPLE PAGES OF ATTACHMENTS. Note: if you do not see this option, make sure you are logged in.
- 5:** Find the document that needs to be resubmitted by checking the "Document Status" column. The status will say "Resubmittal Required."
- 6:** Make sure your revised document is named according to the Electronic Document Naming Instructions.
- 7:** Document must be a complete, full set, without any active or working comments (must be flattened).
- 8:** In the "Actions" column, click on the "**RESUBMIT**" link for the document you wish to resubmit. If you don't see this option, contact revcoord@fcgov.com DO NOT USE THE "UPLOAD" BUTTON.
- 9:** Click "Select Files" and choose the revised document you wish to upload.
- 10:** Click "Continue".
- 11:** In the "Type of Document" dropdown, select the type of document you are uploading. If you're not sure, look at the "Document Type" column for the document type assigned to the original version of the document you are uploading.
- 12:** Add a brief description of your revision to the "Description" box.
- 13:** Click "Upload".
- 14:** Repeat these steps for any other requested document files.

No Approved Plans = No inspection

All approved *documents* must be located on-site during construction, and available for all inspections.

1. Use Citizen Access to download *all documents* titled “Approved”
 - a. <https://accela-aca.fcgov.com/CitizenAccess/Default.aspx>
 - b. See page 2 for steps.

2. The approved documents are the “field set.” Pay attention to mark-up notes from reviewers during construction as these requirements are part of your approved plans.

3. Provide all “Approved” documents on-site for all inspections using one of the following methods:
 - a. **Option 1 – Printed Plans:**
 - i. Print all documents to scale on the PDF size created by the designer. (i.e. a 24x36 PDF should be a 24x36 paper size. This may require a plotter or print shop for large sheets.)
 - ii. Plans that are too small, or not to scale cannot be used.
 - iii. Plans can be printed in black and white (color is optional)
 - b. **Option 2 – Electronic Screen:**
 - i. Must be a large device (i.e. large tablet or laptop, no phones).
 - ii. Screen must be mobile.
 - iii. Screen must be clean, clear and free of cracks.

4. Building Inspectors are authorized to deny inspections that are not ready, or do not have approved and legible plans on-site.

How to download Approved Documents:

1. If you do not have an account, “register for an account” (follow instructions as they appear on the screen):
 “Company Name” is a required field. (Property Owner, Engineer Firm, Architect Firm, Contractor). You must be associated With a project team/company to register. After registering, a confirmation e-mail will be sent. Then, create a username and password.

2. Log In using your username and password:

3. Search permits by permit number, then click the “record info” drop down to access “Attachments”

4. Scroll through each page (on the bottom of the screen) and locate ALL “APPROVED” documents. Use the Action drop down to download all approved documents.
